

1. GRIPPER MARGIN

Nothing can be printed in the yellow area.

2. COLOUR CONTROL AREA

We use the green area to print various quality control objects.

You can allow your tick marks to go into this area and we will work round them.

Do not allow the body of your job into this area.

3. SHEET SIZE

Maximum sheet size is SRA3, 450mm x 320mm

4. AVAILABLE PRINTABLE AREA

This is the white region - 440mm x 301mm

Your job and it's bleed cannot extend beyond this area. However you can position tick marks in the green area.
